Established Anodising Business – EBITDA \$400K+

- FY24 Cash Surplus to Owners: \$403k
- FY24 Revenue: \$2.3m
- Average Cash Surplus: \$400k/year over the past four years
- One of the largest independent operators in the industry
- Freehold property available – Industrial Zone D (approx. 1300m²)

With over 30 years of operation, this business has built a strong reputation and is highly valued by manufacturers, architects, and various industries across New Zealand. The company’s unique qualities and substantial entry barriers create a reliable revenue stream, setting it apart from larger corporate competitors.

As one of the largest independent operators of its kind in the country, this well-established business presents significant growth potential. With its solid foundation and steady growth trajectory, it is ideally positioned for an enthusiastic new owner to take it to the next level. This is currently a hands-on operation but there is potential for conversion to a managed operation due to scale. If you are an investor seeking a managed enterprise or an entrepreneur looking to expand, this opportunity offers substantial flexibility. It is also a strategic acquisition for those in related sectors.
